

Pump XXX is a fully dosed, non-stimulant formula designed to fuel nitric oxide production and maximize blood flow for intense muscle pumps.*

Includes:

- Cordiart™ Citrus Fruit Extract is clinically researched to enhance power output.*^
- L-Arginine and L-Citrulline fuel nitric oxide production, an important signaling molecule that regulates blood flow.*
- resVida® Resveratrol is clinically shown to enhance blood vessel dilation for maximum blood flow and nutrient delivery*◇
- Creatine helps fuel muscle energy for athletic power, strength and performance.*^

◇In a randomized, double-blind, placebo-controlled, crossover study, 19 volunteers consumed 3 doses of resVida® (30 mg, 90 mg, 270 mg) and a placebo at weekly intervals. Flow-mediated dilatation (FMD) of the brachial artery was measured one hour after ingestion of each treatment and was significantly increased at all 3 doses relative to placebo. 30 mg of resVida® demonstrated 2.5% greater increase in FMD relative to placebo.

*When used in conjunction with an exercise program.

PUMP XXX

- Fuels Nitric Oxide Production for Intense Muscle Pumps*
- Enhances Strength, Performance & Power Output*^
- Zero Stimulants & Zero Sugar
